Supporting, developing and  
empowering schools   
and communities

CHIP is a registered charitable organisation, initiated in Kolkata in 1997 by a group of doctors and educationalists who had a dream to help create a better life for underprivileged children. CHIP's focus is to improve school infrastructure and environment, and to provide quality education for the children of surrounding slum communities.

The promotion of communal harmony and cooperation is one of CHIP's priorities, and we believe education is at the heart of this.

Before

After

On 5 February 2004 CHIP inaugurated its Mumbai chapter with the adoption of Prateeksha Nagar BMC School in Jogeshwari. CHIP sponsored the complete improvement of the school and remodeled it entirely. CHIP's focus is to provide quality education and health for the children of surrounding slums.

CHIP has a vision it calls 'Total Child Care.'

### What CHIP provides to its children

1. School supplies and infrastructure.
2. Sponsorship programs.
3. Medical camps.
4. Staff who care for their physical and mental well-being.
5. Counselling.
6. A library and a playroom.
7. Orientation & basic computer courses.
8. Inter-school competitions.
9. Summer camps.
10. Extra-curricular activities such as workshops on dance, music, theatre.

### The CHIP Future

1. To adopt underprivileged Municipal Schools.
2. To create a pleasant learning environment at the school conducive to a child's overall growth and development.
3. To work for and with the children in the fields of Health and Education for their overall development.
4. To conduct "Child Participation" Campaigns in the schools to promote children's greater understanding of their needs and rights.
5. To form Parent Teacher Association (PTA) to create a child-friendly atmosphere at the school as well as in the community.
6. To provide sponsorship for the needy children for their further education.
7. Train women from the community in vocational classes and to teach English.
