Dear Sir/Madam,

**RE: INVITATION TO A FUNDRAISING EVENT**

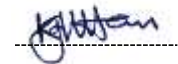

Kisozi Health Center is a community based health facility under Busoga Dioceses and a nonprofit making but basically for provision of services to the community.

On 25/8/2021 a heavy rain storm destroyed the whole roof of the Health Center and many things.

The purpose of this letter is to invite you to a fundraising event for the reconstruction of this health facility organized by *Egoli Africa Uganda* scheduled to take place on Saturday 27/11/2021 at the health facility starting from 10:00am -12:00 Noon .

You can contribute to this through cash, in-kind, volunteering or service. Please come with friends whom you share this idea with as God will guide you towards this Nobel cause.

Yours sincerely,

**KALISHA JONATHAN**  
Chairperson Reconstruction Committee
